

A photograph of a sunset over the ocean. The sun is a bright, glowing orb in the upper center of the frame, casting a long, shimmering reflection down the center of the water. The sky is a gradient of warm colors, from pale yellow near the horizon to a deeper orange at the top. The ocean is filled with gentle, rolling waves that catch the light. In the foreground, a sandy beach is visible, with the sun's reflection continuing onto its surface. The overall mood is peaceful and serene.
